MESSAGE OF THE CHAIR OF TRUSTEES ECE ÇİFTÇİ

PURSUE YOUR DREAMS AND SHARE YOUR DREAMS WITH OTHERS!

Because life and success is beautiful when shared...

I was 14; my dreams are even bigger than me. Now we are proudly exploring with our volunteers in the field the outcomes of our works to inspire over 2 thousand children with SosyalBen.

I was a short giraffe, too. I discovered SosyalBen, my talents in me, and unceasingly worked to further develop them. It's an amazing feeling to see the development of children, or the short giraffes, whose talents we discover with the support of our supporters and volunteers.

We have left behind a very successful term. We have already started to work for the new term so as to achieve more of our dreams. We've made it as SosyalBens! I wish us success and even more.

Let's continue to volunteer, and say "SosyalBen" for today of our children and for tomorrow of us all!

SOSYALBEN FOUNDATION

"WE ARE DREAMING OF A SOCIETY OF STRONG GENERATIONS AWARE OF ITS SOCIAL SELF AND SKILLS"

SosyalBen Foundation contributes to children's developing their social skills with different workshops such as drawing, music, dance, drama, creative writing, short feature films, photography, sports, creative drama, stage arts and invention during fieldworks.
